Living in Wellness Training: *Financial Health in the Modern World*

Charlotte Carriera, B.S., M.B.A. Charlotte is the VP of Marketing & Sales with Simplexity Health; a single mother; a certified Fire Walk Facilitator; and for over 25 years, she has been a successful business coach for both corporations and individuals. Her knowledge of market research and management along with her personal experience make for a compelling presentation on how to “own” your life financially.

Are you considering options for a home-based business opportunity?

Charlotte’s interactive presentation answers the important questions you need to ask to determine the viability of a networking opportunity. No matter whether you are serious about starting a home business or just looking casually, her personal story of success can help teach you how to create positive change in your life - as well as teach you how to teach others to do the same thing.
