

# Turn Your Passion for A Healthy World Into An Income for Life

## Live Green

with a home-based income that promotes natural, organic lifestyle choices and products

## Discover

A green company that is dedicated to helping us join together to build a sustainable world of abundant health and prosperity

- ◆ We teach you how our simple programs help secure your physical health
- ◆ We show you why our business is your alternative to an uncertain economy

**Friday Night: Why Simplicity Health?** Come meet local Eco-peneurs! Meet with Simplicity Health home-based business owners-some of whom have successfully worked in our company for over fifteen years! This is an opportunity to learn more about the company that is hosting this presentation and ask people for their personal experiences as home based business owners.

### Saturday: Living In Wellness Workshop:

**Financial Health from Foundational Nutrition** with **Ira Greene**, Acupuncturist, CFP, C.NAET. Ira has spent three decades as an alternative health practitioner. He has been trained in Chinese Medicine; and has learned from such renowned icons as Dr. Bernard Jensen and Dr. John Christopher. He currently runs a clinic with his wife Susie. He is also a Certified Financial planner with 14 successful years working in one of

the largest Fortune 500 financial planning institutions. His unique perspective as a successful traditional financial advisor going into a home-based business will help you "do what he did"- create a solid stream of income from your passion for a better world.

**Learn why networking is becoming *the business of the future*.** Ira knows how to create financial freedom in our modern economy. He takes what he learned on Wall Street and shows you why creating a business based on what you believe in is the model for financial success in our future. You will laugh and leave this workshop with clear steps towards **financial freedom**.
